NOTES

1. In view of the continuing Covid-19 pandemic and consequential restrictions imposed on the movements of people, the Ministry of Corporate Affairs ("MCA") has vide its General Circular No. 02/2021 dated January 13, 2021 read with Circular No. 20/2020 dated May 5, 2020 in conjunction with Circular No. 14/2020 dated April 8, 2020 and Circular No. 17/2020 dated April 13, 2020, (collectively referred to as "MCA Circulars") and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the MCA Circulars granted certain relaxations and thus permitted the holding of Annual General Meeting ("AGM") of the companies through VC/OAVM viz. without the physical presence of the Members at a common venue. Hence in compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA/SEBI Circulars, as applicable, the AGM of the Company is being held through VC/OAVM (e-AGM).
2. The Deemed Venue of the 32nd AGM of the Company shall be its Registered Office.
3. Since the AGM will be held through VC/OAVM (e-AGM), the Route Map for venue of AGM is not annexed to the Notice.
4. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum of the AGM under Section 103 of the Act.
5. In compliance with the MCA Circulars and SEBI Circular dated January 15, 2021 as aforesaid, Notice of the AGM along with the Annual Report (viz. Financial Statement) for Financial Year 2020-2021 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories/R&T Agent. Members may note that the Notice and Annual Report for Financial Year 2020-2021 will also be available on the Company's website www.supremepetrochem.com, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and on the website of R&T Agent of the Company viz. KFin at <https://evoting.kfintech.com>.

Alternatively, Member may send signed copy of the request letter providing the e-mail address, mobile number, self-attested PAN copy, DP ID (in case of electronic mode shares), folio No (in case of physical mode shares) via e-mail at the Email Id – einward.ris@kfintech.com for obtaining the Annual Report and Notice of e-AGM of the Company electronically.
6. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
7. To avoid fraudulent transaction(s), the identity/signature of the Members holding shares in electronic/demat form is verified with the specimen signatures furnished by NSDL/CDSL and members holding shares in physical form is verified as per the records of the R&T Agent of the Company. Members are requested to keep the same updated.
8. Pursuant to the provisions of the Act and other applicable Regulations, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on their behalf and the proxy need not be a Member of the Company. However since this AGM is being held pursuant to the MCA/SEBI Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will also not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to the Notice.
9. Corporate/institutional Members (i.e. other than individuals, HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG format) of the relevant Board Resolution/Authority Letter/Power of Attorney etc. together with attested specimen signature of the duly authorised signatory(ies) who is/are authorised to vote, to the Scrutinizer through e-mail at supreme.scrutiniser@gmail.com and may also upload the same in the e-voting module in their login. The scanned image of the above documents should be in the naming format 'SPL_EVENT No.'
10. The facility of joining the e-AGM through VC/OAVM will be opened 15 minutes before and will remain open upto 15 minutes after the scheduled start time of the e-AGM, i.e. from 4.15 p.m. to 4.45 p.m. and will be available for 1000 members on a first-come first-served basis. This rule would however not apply to participation in respect of large Shareholders (Shareholders holding 2% or more shares of the Company), Promoters, Institutional Investors, Auditors, Key Managerial Personnel and the Directors of the Company including Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee.
11. Members are requested to notify change in their address, if any, immediately to the R&T Agent of the Company.
12. To receive faster communication by Company including Annual Reports and Notices, the Members are requested to register / update their e-mail address, Telephone Number/Mobile Number with their respective Depository Participants (DPs) where they hold their shares in electronic form. However if their shares are held in physical form, Members are advised to register their e-mail address with R&T Agent of the Company by clicking on the link <https://karisma.kfintech.com/emailreg> and following instructions thereof. Members are requested to support the green initiative efforts of the Company.

13. For ease of conduct, Members who would like to ask questions/express their views on the items of the businesses to be transacted at the AGM can send their questions/comments in advance by visiting URL <https://emeetings.kfintech.com> and clicking on the tab 'Post your Queries' during the period starting from June 23, 2021 (9.00 a.m. IST) to June 26, 2021 (5.00 p.m. IST) mentioning their name, demat account no./Folio no., Email Id, mobile number etc. The queries so raised must also be mailed at investorhelpline@spl.co.in. The queries should be precise and in brief to enable the Company to answer the same suitably depending on the availability of time at the meeting.
14. The Company has been maintaining, inter alia, the following statutory registers at its Registered Office - Andheri (East), Mumbai:
 - i. Register of contracts or arrangements in which directors are interested under Section 189 of the Act.
 - ii. Register of Directors and Key Managerial Personnel and their shareholding under Section 170 of the Act.

In accordance with the MCA circulars, the said registers shall be made accessible during the AGM for inspection, through electronic mode and the Shareholders can view the statutory registers of the Company after log in to <https://emeetings.kfintech.com> and clicking the button next to Thumb symbol.
15. The Members approved the appointment of M/s. G M Kapadia & Co. Chartered Accountants (FRN104767W) as Statutory Auditors of the Company, in their Annual General Meeting held on 18th July, 2018, to hold office from conclusion of 29th Annual General Meeting of the Company to the conclusion of its 34th Annual General Meeting to be held in calendar year 2023. Since the requirement of ratification of appointment of Statutory Auditors every year by the Members of Company has been dispensed with w.e.f. May 7, 2018 vide Companies (Amendment) Act, 2017, no resolution is being proposed for ratification of appointment of Statutory Auditors at the AGM.
16. Pursuant to the requirement of Regulation 26(4) and 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and respective provisions of Secretarial Standard-2, the brief profile/particulars of the Directors of the Company seeking their appointment or re-appointment at the Annual General Meeting (AGM) is annexed hereto.
17. The Explanatory Statement pursuant to Section 102 of the Companies Act 2013 ('Act') setting out details/material facts relating to the proposed special business(es) under Item Nos. 4 to 9 of the Notice is annexed hereto.
18. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, Members holding shares in physical form are requested to consider converting their share holdings into dematerialized form. Members can contact the Company or its R&T Agent KFin for assistance in this regard.
19. In terms of circulars/regulations issued by SEBI, it is now mandatory to furnish a copy of PAN Card to the Company or its R&T Agent in case of transactions related to transfer of shares, deletion of name, transmission of shares and transposition of shares, hence members are requested to furnish copy of their PAN Card while proceeding for such transactions.
20. Members holding shares in the same name under different Ledger Folios are requested to apply for consolidation of such folios and send the relevant Share Certificates to the R&T Agent of the Company for enabling them to consolidate the shares with due process.
21. Register of Members and Share Transfer Books of the Company will remain closed from Tuesday, June 29, 2021 to Thursday, July 01, 2021 (both days inclusive), for the purpose of AGM and for determining the name of members eligible for dividend on equity shares, if declared at AGM. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13 which can be downloaded from the Company website www.supremepetrochem.com. Members are requested to submit the said details to their DP in case the shares are held by them in electronic form and to the Company's R&T Agent M/s KFin Technologies Pvt Ltd. in case the shares are held in physical form by sending an email to einward.ris@kfintech.com.
22. SEBI Listing Regulations have mandated the Companies to credit the dividends electronically to the Members' Bank account. Members who hold shares in electronic/dematerialized form should inform their Depository Participant (DP) as well as to the Company and those Members holding shares in physical form should inform to the Company or its R&T Agent, their bank details viz. Bank Account Number, Name of the Bank and Branch details, IFSC Code and MICR Code to enable the Company to incorporate the same for dividend payments. Those Members who have earlier provided their bank details but if there is any change therein, they should also update the same instantly in the manner as aforesaid. The dividend warrant for those members who fail to update their bank details will be posted subject to the normal functioning of the postal services, considering the ongoing COVID-19 Pandemic situation.
23. Members holding shares in electronic form may please note that their bank details as furnished by the respective Depositories or KFin (RTA) to the Company will be

printed on their dividend instruments as per the applicable regulations and the Company will not entertain any direct request from such Members for deletion/change in such bank details. Members may, therefore, give instructions regarding bank accounts in which they wish to receive the dividend, directly to their Depository Participants or KFin, as the case may be.

24. If the final dividend, as recommended by the Board of Directors, is approved at the AGM, payment of such dividend will be made on or after July 15, 2021 as under:
- i. to all the Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the Depositories viz. National Securities Depository Limited (NSDL) and the Central Depository Services (India) Limited (CDSL) as at the close of business hours on Monday, June 28, 2021 (viz. the "Record Date");
 - ii. to all the Members in respect of shares held in physical form after giving effect to their valid transfer or transmission or transposition requests lodged with the Company, if any, as at the close of business hours on Thursday, July 1, 2021.
25. Pursuant to Finance Act 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates as applicable to various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments made thereto from time to time. Some of the major features of the latest tax provisions on dividend distribution are stated as hereunder for a quick reference.

For Resident Shareholders, tax shall be deducted at source under Section 194 of the Income Tax Act, 1961 at 10% on the amount of Dividend declared and paid by the Company during financial year 2021-22 provided PAN is provided by the shareholder. If PAN is not submitted, TDS would be deducted @ 20% as per Section 206AA of the Income Tax Act, 1961.

However, no TDS shall be deducted on the dividend payable to a resident Individual if the total dividend to be received by them during Financial Year **2021-2022** does not exceed ₹ 5,000/-. Please note that this includes the previous dividend(s) paid, if any, and future dividend(s) which may be paid, during the Financial Year **2021-2022**, if declared.

In cases where the shareholder provides Form 15G (applicable to any person other than a Company or a Firm) / Form 15H (applicable to an Individual above the age of 60 years), provided that the eligibility conditions are being met, no tax at source shall be deducted.

Apart from the above, since the TDS/ Withholding rates are different for resident and non-resident shareholders,

members are requested to confirm their residential status as per the provisions of the Income Tax Act 1961, by sending an email at einward.ris@kfintech.com with cc to spldividend@spl.co.in

Company shall arrange to email the soft copy of TDS certificate of the Members at their registered email ID in due course, post payment of the dividend amount and in remaining cases where no email ID is registered, TDS certificates shall be posted to the Members when the postal services function normally.

In view of above provisions, the shareholders are requested to update their PAN with the Company/R&T Agent (in case shares held in physical mode) and with the depositories (in case of shares held in demat mode). A Resident individual shareholder with PAN but not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H in the aforesaid manner, to avail the benefit of non-deduction of tax at source, by sending email to spldividend@spl.co.in upto 5.00 p.m. (IST) on June 28, 2021.

Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F or any other document which may be required to avail the tax treaty benefits under the provisions of Income Tax Act, 1961 by sending an email to spldividend@spl.co.in upto 5.00 p.m. (IST) on June 28, 2021.

26. Shareholders who have not yet en-cashed their dividend warrant(s) for the financial year 2013-2014 and/or any subsequent financial years, are requested to submit their claim to the R&T Agent of the Company immediately to avoid transferring of their unpaid dividend amount to IEPF A/c.

Members are further requested to note that pursuant to the provisions of Section 124 and 125 of Companies Act, 2013, the dividends if not en-cashed for a period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (IEPF) and the shares in respect of which dividends remain unclaimed for seven consecutive years are also liable to be transferred to the demat account of the IEPF Authority and no claim with the Company shall lie in respect thereof. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline. The Members, whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority in Form IEPF-5 available on www.iepf.gov.in. With respect to procedure for making claim from IEPF, please refer to Corporate Governance Report separately annexed and forming part of the Annual Report.

The Company has uploaded the information in respect of unclaimed dividends on the website of the Company

www.supremepetrochem.com for ready reference of the members.

Considering the enriched and wider experience of around 30 years of Shri N. Gopal exclusively in the business of Company across its entire gamut of productions, operations and marketing activities including supply chain management as well as project implementations etc. and the roles and responsibilities successfully discharged by him since his joining the Company in 1991, it is thought prudent to re-appoint him as Manager of Company, despite exceeding the age of 70 years, for a further period of 3 years w.e.f. 01-04-21 which is likely to be highly beneficial to the Company in its overall operational affairs. This will also enable the Company to reap the benefit of his long outstanding experience in petrochemical segment.

The Board recommends the resolution at Item No. 5 of the Notice with respect to re-appointment of Shri N. Gopal as Manager of the Company for three years period and seeks approval of the members for the same by way of special resolution.

None of the Directors and Key Managerial Personnel of the Company and their relatives except Shri N. Gopal are in any way concerned or interested in the said resolution.

ITEM NO. 6:

Shri K. V. Mujumdar, on the recommendation of the Nomination and Remuneration Committee, was appointed as an Additional Director of the Company w.e.f. 19-09-2020 by the Board of Directors pursuant to the provisions of Section 161 of the Companies Act 2013 to hold office upto the date of the ensuing Annual General Meeting. The Company has also received a Notice in writing from a Member of the Company under Section 160 (1) of the Companies Act, 2013 proposing the candidature

of Shri K. V. Mujumdar for the office of Director of the Company and if he is regularised by the members by way of passing Ordinary Resolution in his favour, he can continue as Director of the Company.

In view of above and considering the competence, skills, extensive and enriched experience of Shri K .V. Mujumdar in the operational affairs of Amdoshi and Manali Plants of the Company, which is likely to be largely beneficial to the Company in future too, the Board recommends the resolution at Item No. 6 of the Notice for seeking approval of members by way of ordinary resolution with respect to regularization/appointment of Shri K. V. Mujumdar as Director of the Company not liable to retire by rotation.

ITEM NO. 7:

Shri K. V. Mujumdar is a qualified Engineer and holds a diploma in Business Management. Shri K. V. Mujumdar was earlier working as Vice President (Operations) of the Company and has been associated with the Company since August, 1992 and has extensive and wide-ranging experience of about 43 years. Prior to joining Supreme Petrochem Ltd (SPL), he worked for about 14 years in Hindustan Organic Chemicals Ltd. (HOCL). He has been associated with the entire development of SPL’s manufacturing complex at Nagothane. Over the years in SPL, he has been managing various activities of the Nagothane complex including production, quality control, statutory compliances, human resources, public relations, industrial relations and administration etc. He also oversees the operations of the Chennai complex. His induction on the Board is in the overall interest of the Company and brings diversity to the Board due to his extensive hands-on experience in plant operations and allied affairs.

Considering the recommendation made by the Nomination and Remuneration Committee (NRC), he was appointed as a Whole time Director of the Company designated as Director (Operations) for a consecutive term of five years period commencing from September 19, 2020 till September 18, 2025 on the remuneration, terms and conditions as determined by the NRC, the summary whereof is stated as hereunder, and as contained in his employment agreement, subject to approval of the members in terms of section 196 of the Companies Act, 2013.

As per Section 196(3) of the Companies Act, 2013 and Part I of Schedule V thereto, the Company needs approval of members through special resolution for continuation of appointment of Shri K. V. Mujumdar whose age will exceed 70 years during his current tenure with the Company.

The qualifications and experience of Shri K. V. Mujumdar together with the responsibilities entrusted to him have been taken into account by the Nomination and Remuneration Committee of Directors which has recommended for his appointment with the following remuneration:

REMUNERATION:

(a) Not exceeding ₹ 140 (One Hundred Forty) lakhs per annum. The Nomination and Remuneration Committee will evaluate the performance of Shri K.V. Mujumdar on annual basis and recommend to Board his annual remuneration including increments etc. within the overall limits of ₹ 140 (One Hundred Forty) lakhs as aforesaid subject to the limits and provisions of Schedule V to the Companies Act, 2013, as may be applicable and as amended from time to time.

Following perquisites shall not be included in the computation of the ceiling on remuneration specified in point (a) above.

i) Company's contribution to Provident Fund, Superannuation Fund or Annuity Fund or allowances in this respect as per rules of the Company.

- ii) Gratuity payable by the Company to the extent permitted by law.
- iii) Encashment of leave at the end of the tenure as per the rules of the Company.

The Company will provide a car to Shri K. V. Mujumdar and shall reimburse expenses incurred by him for use of and maintenance of the car. The driver's salary shall also be reimbursed to Shri K. V. Mujumdar as per the rules of the Company.

The Company shall pay the bills for cellular and landline telephones used by Shri K. V. Mujumdar, for official purposes. Personal long distance calls on telephone shall be billed by the Company to Shri K. V. Mujumdar.

Shri K. V. Mujumdar shall be entitled to reimbursement of all actual expenses, including entertainment and travelling, incurred in the course of the Company's business.

Shri K. V. Mujumdar shall be entitled to earned/privilege leave as per Rules of the Company.

In the event of absence or inadequacy of profits of the Company for any year during the tenure of Shri K. V. Mujumdar, he shall be entitled to remuneration, perquisites and reimbursement of expenses within the threshold limit as provided in the Companies Act, 2013 read with schedule V thereto and/or any other applicable rules/regulations, as may be amended from time to time.

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMIC OVERVIEW & OUTLOOK

Global Economy

Onset of COVID-19 pandemic in the year 2020 and subsequent lockdown imposed across the world to contain spread of virus led to unprecedented situations worldwide with domestic and global trade coming to a standstill. Lockdown and border closures across key global markets paralysed economic activities including production and business operations all over the world. This pause in the global economic activity caused significant contraction of economies in the first half of 2020. Global trade was impacted by a significant margin in the first half of the year. With the easing of lockdown starting from June 2020 the world economy rebounded but still, as per IMF estimates, global economy contracted by 3.5% in 2020. When towards the end of 2020 it looked that world economy is bouncing back the second wave of pandemic embedded with new mutated variants emerged and have slowed down the speed of economic recovery.

The global economy, as per IMF is projected to grow at 6% in 2021 reflecting additional fiscal support in a few large economies and expectations of vaccine powered recovery of economic activity.

Indian Economy

The outbreak of the COVID-19 pandemic in March 2020 along with the national lockdown in India disrupted economic activities including demand and supply chain resulting in a significant slowdown of the Indian economy. This led to a contraction of 23.9% during the first quarter of 2020-21.

With the staggered unlocking measures from May/ June 2020 onwards some normalcy started getting restored. The manufacturing sector witnessed a fast recovery from second quarter of 2020-21 coupled with a revival of consumer demands during the festive season. Widespread monsoon with healthy crops and increased rural demand also helped recovery of the Indian economy in the second half of last fiscal. The service sector was more vulnerable than manufacturing. Indian economy as per the second advance estimates is estimated to have contracted at (8%) during 2020-21 compared to a growth of 4% in 2019-20.

A sharp surge in the cases during the second wave of Covid-19 since the second week of April 2021 had lead to many state governments announcing strict lockdowns / restrictions on movement etc. and this is affecting the economic activity especially of Micro, Small and Medium Enterprises. Economic impact of the second wave could intensify in the next few weeks due to lower mobility. The overall impact of the second wave on the economy is difficult to assess presently, but it is likely to negatively affect GDP growth in the first quarter.

With emergence of strong second wave of Covid-19 pandemic, the Indian economy is now projected to grow at about 10% during fiscal 2021-2022.

COVID-19 PANDEMIC AND SUPREME PETROCHEM LTD

With the announcement of national lockdown, Company shut down its manufacturing lines at both Amdoshi plant in Maharashtra and at Manali, Tamil Nadu. After obtaining necessary approvals from the competent authorities, Company resumed operations of 1 line of Polystyrene initially and ramped up to full production by July 2020.

With disruption in domestic demand and supply chain the Company exported most of its production in the first quarter of 2020-21. Company during the period of lockdown operated its plants with limited manpower as per the stipulations laid by the authorities.

The Company took all necessary steps for safety of plant and its employees during the pandemic. Not only full wages were paid on time, the annual increases in line with the previous years were given to tide the employees through the difficult time of pandemic.

Company also reached out to the local villages surrounding our plants to provide ration, sanitization material and medical help during the lockdown period. Company created an isolation and quarantine facility at our township near the manufacturing complex at Amdoshi, Maharashtra, to isolate and treat persons with symptoms of Covid.

REVIEW OF OPERATIONS & OUTLOOK

During the year under review Company earned a net profit of ₹ 477.49 crores as against ₹ 102.65 crores in the previous year. Improved demand for Company's products coupled with healthy delta between raw material prices and finished products helped achieving this number.

The unfortunate incident of SM vapour leak at the PS/ EPS plant of one of Company's competitors at Visakhapatnam in May, 2020 causing deaths and destruction in the vicinity of said plant led to its closure. The plant remains closed as of now. Company rose to the occasion and has been meeting the requirements of PS/ EPS customers in India from the 2nd quarter of the year under review. It is a matter of extreme satisfaction that no customer was allowed to suffer for lack of supply of material.

Styrene Monomer (SM)

Company scaled down its operations significantly in 1st quarter due to countrywide lockdown. Imports of SM were stopped for over a month, due to the force majeure conditions. Operations were restricted so as to consume inventory and move to a safe mode. Exports were the only important outlet available for our products. With demand revival from 2nd quarter SM supplies were quickly resumed.

Significant supply constraints were seen in second half of the year due to unscheduled shutdowns in Asia, Middle East, Europe, U.S.A. etc in quick succession. Major events being the deep freeze in U.S.A., unscheduled shut down of a large SM

plant in Europe etc. Company, however, was able to manage its supplies well except for some shipping delays during the year.

Styrene Monomer prices were largely stable during the first half of the year. China's new SM capacity additions helped in moderating the price range in Asia.

Two large world scale SM plants were commissioned in China in early 2020. A third SM plant with 6,30,000 MT capacity has been commissioned early this year in China. This augurs well for Company since the centre of gravity of SM trade flow shifts from China to India and the Company being the biggest consumer of SM in India, stands to gain from this changed trade flow. Self sufficiency for SM in China also will mean more stable pricing regime due to removal of volatility associated with China's SM imports.

Polystyrene (PS)

Domestic Polystyrene Market saw a de-growth of (12%) in the year under review, due to loss of business in the 1st quarter after imposition of nationwide lockdown. However, the Company had a growth of 25% due to increased demand of Company's products from the appliance sector after lifting of lockdown and demand from customers of the competitor whose plant was shut down. Ban on import of Air Conditioners with refrigerants also contributed to volume growth since existing makers of Air Conditioners in India had adequate installed capacity to take advantage of this opportunity without any loss of time.

Many segments like stationery, beads and bangles etc. still are affected adversely due to closure of educational institutions/offices and restrictions on social gatherings.

The final findings of the investigations recommending levy of Anti-Dumping duty on imports of Polystyrene from certain countries was issued by the Directorate General of Trade Remedies, Ministry of Commerce, Government of India in June 2020. Department of Revenue, Ministry of Finance, Government of India, have not issued the required custom notification giving effect to the recommendations of DGTR. The Company has filed a writ in the Delhi High Court against Department of Revenue for same.

Outlook

All appliance OEMs have projected good growth in demand for their products which augurs well for the business of the Company.

Air Conditioner makers (both OEM and contract manufacturers) have committed investments for increasing their capacities which are all expected to fructify in the 2nd half of 2021. The benefit of increased demand from this segment will also accrue in the current financial year to the Company.

Gradual opening up of Educational institutions/ places of worship/ recreational facilities /social gatherings etc. are expected to give a fillip for the stationery/ beads & bangles segments. Company expects domestic Polystyrene demand to grow by 16 - 18% in the year 2021-22 compared to the year

under review. When compared to the year 2019-20 this will translate to a growth of 7% only.

Regional tightness is expected due to closure of Denka, Singapore and Saudi Polymers, Saudi Arabia as well as conversion of GPPS capacity to HIPS by certain N. E. Asian producers.

Expandable Polystyrene (EPS)

Domestic EPS demand witnessed a fall in demand by (5.75%) due to lockdown in the 1st quarter of the year under review. Company's sales, however, grew by 20% despite loss of sales in 1st quarter due to growth in cold storage segment for vaccine handling, fish boxes, plastic crates for hygiene reasons apart from closure of competitor's plant at Visakhapatnam.

Globally EPS and XPS are the material of choice for insulating both commercial and residential buildings for energy conservation to reduce Co2 emissions. International Energy Alliance (IEA) in their India Energy Outlook 2021 has predicted that more than half the increase in demand for energy in India will come from cooling load of dwellings in the period from 2019 to 2040 and have urged Government of India to give greater emphasis on building insulation to combat the same. The Company is well poised to participate in this segment as and when mandates are created by various state governments for building insulation.

Outlook

We expect a growth of 10% in the current year due to appliance demand growth as well as growth in cold chain development happening across the country. 3D EPS Core panel boards are being used in several warehouses in an industrial smart city in Maharashtra. Company expects this method of construction to pick up pace both for residential as well as industrial buildings in due course of time for its cost effectiveness and speed of construction in addition to insulation properties.

EIFS (External Insulation Finishing System) promoted by the Company has also been adopted by a few prestigious projects including a mall, hospital and AIIMS amongst others. With these developments, we expect EPS business to grow faster in the coming years.

Speciality Polymers & Compound Business (SPC)

SPC business achieved several milestones this year with a volume growth of 30% at 11,800 MT despite nationwide lockdown in the first quarter. Main growth drivers were customized UV stabilized pre-colour HIPS and FR PS compounds for appliance/ electrical and electronics segments. Pre-coloured ABS compounds are well received in many applications. Growth in Masterbatch business is driven by Black MB in pipes for agriculture and portable water distribution, drip irrigation, mulch films, pond liners, packaging and industrial foam. White and additive masterbatches have shown steady growth in packaging and appliances. Company's additive MB business is now firmly established with several prestigious customers added to the Company's customer base.

**Outlook**

Increased demand in black masterbatches due to sustained growth in infrastructure and agriculture and supply of colour masterbatches has established the Company as a strong player in this space. SPC business is expected to grow by 25% in the year 2021 – 22 due to increased range of products now being offered by the Company.

Extruded Polystyrene Boards (XPS)

The year under review saw sales volumes lower by (8%) compared to 2019-20 due to very poor 1st half sale on account of lockdown and restriction on construction activities. Implementation picked up pace after lifting of the lockdown. Refrigerated truck business picked up strongly with all major players in this segment operating at full capacity to enable transport of COVID vaccines across the nation.

Some of the important infrastructure projects of national importance are using Insboard. Total number of distributors increased to sixty four during the year. XPS business is expected to grow by 25% - 30% during the year provided there are no restrictions imposed on the construction activities in the country.

Styrene Methyl Methacrylate (SMMA)

Company was producing SMMA on campaign basis in order to utilize the spare capacity of the Polystyrene plant. However, due to increased demand of PS from domestic customers, the Company had to regretfully forego SMMA business in the year under review.

However, in order to protect the SMMA compounds business which was developed with great efforts, the Company has tied up with a Japanese maker of SMMA for regular supply of SMMA. With this arrangement in place, Company hopes to revive the SMMA compounds business in the current year.

Acrylonitrile Butadiene Styrene (ABS)

In the year under review the Company firmly established itself as a supplier of imported ABS on regular basis as well as develop various compounds of ABS and SAN. India imports about 50% of its ABS requirements. Demand is further growing due to growth in appliance segment, Automobiles as well as Electrical & Electronic segments.

The Company is in discussions with foreign technical know how supplier for technology for its proposed Mass ABS project.

EXPORTS

Company's export activities have been put in hibernation mode in view of additional requirements from domestic customers in 2020-21. However, considering that the PS/ EPS expansion project underway will be operational in Q4 of 2021-22. Company has kept its overseas customers fully informed of the developments in the Company from time to time so that business can be re-started as soon as products are available.

SUSTAINABILITY

Company's concern for environment made it take initiatives in the field of recycling of post consumer plastic waste of PS and EPS. As a 1st step Company is encouraging organized collection and recycling of post consumer EPS waste in several cities and is actively supporting EPS processors who have joined hands to create a circular economy in the state of Maharashtra.

FINANCE

Company continues to remain debt free. Available surplus funds are judiciously deployed for optimum returns and minimum risk to the principal investments of the Company. Capital expenditure incurred during the year was met from internal accruals only.

CRISIL Ratings Ltd. has assigned long term rating at CRISIL AA- Stable and short term rating at CRISIL A1+ for Company's Working Capital facilities from banks.

India Ratings and Research (Ind-Ra) upgraded Company's long term issue rating to IND AA- from IND A+ with Stable outlook and confirmed short term rating at IND A1+ for Company's fund and non-fund based working capital facilities from banks.

Buyback of shares

The Company bought back 2481287 equity shares during the scheme period which ended on September 18, 2020. A total sum of ₹ 48.85 crores was spent on the shares bought back (including ₹ 9.26 crores towards transaction expenses and buyback distribution tax etc.). Consequently the total number of shares of the paid up capital of the Company (₹ 10/- nominal value per share) reduced from 96501958 shares to 94020671 shares.

Reduction of Share Capital

The Board of Directors of the Company in their meeting held on March 12, 2021 recommended reduction in paid up share capital in terms of section 66 of Companies Act 2013 and regulation 37 of SEBI (LODR) Regulations 2015 from ₹ 10/- per share to ₹ 4/- per share, without reducing the number of shares. Accordingly, every shareholder will receive ₹ 6/- per share for every share held on the record date. This is subject to approval of shareholders, NSE/ BSE/ SEBI/NCLT etc. This will reduce the existing paid up share capital from ₹ 9402.07 lacs to ₹ 3760.83 lacs. The total amount involved is ₹ 56.41 crores.

All around improvements in the business of the Company led to the above improved ratios.

CAPITAL EXPENDITURE

Company incurred a total expenditure of ₹ 26.24 crores during the year under review on ongoing projects related to PS and EPS at Amdoshi and Manali plants and hardware replacement at both locations.

Capital expenditure proposed to be incurred in the current year towards PS 4th line at Amdoshi plant, EPS expansion/debottlenecking at both plant locations, GPPS line revamp, additional lines for SPC and hardware replacement at both plant locations is estimated at about ₹ 260 crores. These projects will add 90,000 MTA of PS and 30,000 MTA of EPS capacity.

RISK MANAGEMENT

International pricing and demand / supply risk are inherent in the import of Styrene Monomer, the main raw material. Company enters into procurement contracts for imports of Styrene Monomer on annual basis. The contracts specify the quantity and attributes for arriving at monthly pricing. A part of the requirement is also sourced on spot basis so as to float with fluctuations in the market and guard against price volatility. Some part of supply to large OEMs are on annual contracts basis tied into monthly SM pricing which allows for equitable sharing of the volatility in SM pricing. Company has also diversified the product portfolio into compounds, masterbatches, foam products etc. as a hedge against Styrene Monomer volatility.

The global and Indian economic events impacting dollar-rupee parity has a direct effect on cost of imports and also pricing of Company's products. To overcome these risks of cost and

pricing due to foreign exchange volatility, Company hedges part of open foreign exchange exposure relating to imports so as to lessen the impact of foreign exchange rate fluctuations in respect of import of raw material. Company also has a natural hedge to the extent of its exports and pricing its products locally on import parity basis. Foreign currency exchange rates being dynamic, Company constantly monitors them to decide on proper response measure.

Company has adequately insured its plant and machinery on a reinstatement basis. The Policies also cover stocks of finished goods, raw materials (at plant, at ports and while in transit), projects under erection and third party liabilities.

Adequate loss of profit insurance policy to cover loss of gross profit, if any, due to interruption has also been purchased by Company. Company has also insured itself against crimes against the Company and has purchased Directors & Officers (D&O) Liability insurance policy also to shield itself from the associated risks. Company is also insured against Cyber Crime. The management periodically reviews the adequacy of the insurance cover.

Protection of data and system is essential part of managing the business. To secure its data, Company has instituted the best practices adopted across the industry. Company has all its servers co-located at Tier III+ Data Centres, with DR on cloud with necessary cloud security tool. Antivirus setup, maintenance and monitoring for filtering incoming data, end-point security controls, Firewall setup for control/ restrictions on Networking Access, Device whitelisting to restrict and ensure access to authorized persons and their authorized devices, Access control to Business Application and File System and E-mailing and Internet Policies to control outgoing data / information. Using licensed software and products only and not allowing to download and install any unlicensed/pirated softwares on Company provided devices. Company gets IT infrastructure audits by the 3rd party service providers on periodical basis. These audits include Application Security Assessment, Internal / External penetration testing by using ethical hacking tools, Server / Network devices configuration Audit, Software / License Audit, Network architecture review and firewall rule based review. Issues found in the audit are reviewed and mitigated as per the recommendation followed by re-audit for effective mitigation.

HUMAN RESOURCES / INDUSTRIAL RELATIONS

Human Resources are one of the most important ingredients for growth. The Company therefore strives to align human resource policy and initiatives to meet business plans. Training of employees to maintain high level of motivation is an ongoing process. Industrial relations at all the units remained cordial during the year.

INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY

The internal control systems for safeguarding and protecting assets against loss from unauthorized use or disposition are in place.

Regular internal audits, review by management and documented policies, guidelines and procedures supplement the internal controls which are designed to ensure that financial and other records are reliable for preparing financial information and other data and for maintaining accountability of assets.

HSE MANAGEMENT, AWARDS & RECOGNITION

OUTSTANDING ADRS/GDRS/WARRANTS OR ANY CONVERTIBLE INSTRUMENTS, CONVERSION DATE AND LIKELY IMPACT ON EQUITY:

The Company does not have any outstanding ADRs/GDRs/Warrants or any Convertible instruments.

COMMODITY PRICE RISK OR FOREIGN EXCHANGE RISK & HEDGING ACTIVITIES:

International pricing and demand/supply risk are inherent in the import of Styrene Monomer, the main raw material for the products of the Company. The Company enters into procurement contracts for import of Styrene Monomer on annual basis. The contracts specify the quantity and attributes for arriving at monthly pricing. However, a part of the requirement is sourced on spot basis so as to float with fluctuations in the market and to guard against price volatility. The Company has also linked part of its sales

to raw material prices so that the Company has adequate cushion to protect its margin in the event of any increase/decrease in raw material costs.

Company's main raw material and major additives are imported and therefore the Company has a substantial exposure in foreign exchange currencies and thus associated risk thereof. To overcome the risk of foreign exchange volatility in market, Company's Board has approved a policy to hedge the risk by way of foreign exchange exposures by using appropriate hedging products. The Company, to some extent, is also hedged against the said risk by way of export receivables and domestic sales linked to raw material prices. There is no direct hedging available for the main raw material of Company viz. Styrene Monomer.

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1

Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

The Company as the largest Indian manufacturer of Polystyrene, Expandable Polystyrene and Extruded Polystyrene Insulation Board, values its reputation and believes in upholding ethical values and practices. We have documented values governing the business of the Company and also code on ethical conduct for employees. These along with the Whistle Blower Policy, Code of Conduct for prevention of Insider Trading and the Code of Practice and Procedure for Fair Disclosure of Unpublished Price Sensitive Information forms the framework for Ethical, Transparent and Responsible conduct. The Code and Policies communicate our zero tolerance approach to ethical and legal violations.

The code of ethics and conduct provides guidelines to employees to act in accordance with the highest standard of personal and professional integrity, honest and ethical conduct either at the workplace or any other place while representing the Company.

Besides honest and ethical conduct, the code covers conflict of interest, confidentiality of information, respect and protection of human rights, accurate and timely disclosures of information to SEBI and public and compliance with Laws, Rules and Regulations.

The Company has in place a mechanism for receiving and resolving complaints from different stakeholders, shareholders, customers, vendors, employees etc. The Company responds to such complaints in a time bound manner.

Principle 2

Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

The Company has a documented Policy for providing goods and services that are safe and contribute to sustainability through their life cycle.

The Company works to embed the principles of sustainability, as far as practicable, into the various stages of product or service life cycle including procurement of raw material/service, manufacturing of product or delivery of service, transportation of raw materials and finished goods, and disposal by consumers to improve the quality of life and people.

The Company strives to ensure that all the products meet hygiene, durability as per the application requirement and functional requirement of end application. The Company has a testing lab to carry out tests on products at various stages of the production process to ensure requisite standards and efficiencies.

The Company holds road shows and seminars at various locations, whenever felt required, to educate prospective customers and intermediaries on the end applications of the products and their positive impact on the environment. The Company promotes the use of its products in hot/cold insulation.

Production processes are monitored regularly.

State of the art equipment results in low wastage and automation is used extensively.

Continuous efforts are taken to improve Energy Management by monitoring energy related parameters on a regular basis.

The Company has set up a distribution network in order to serve its customers in the least possible time. This has resulted in better warehouse and inventory management.

Principle 3

Businesses should promote the well-being of all employees

The Company focuses on ensuring the well-being of all its employees, safety and good health which is extremely important to the Company. The Company believes that well-being of the employees is imperative to achieve profitable growth. Employees well-being is sought to be promoted by the following:-

- 1) Well defined pay structure as per Indian norms.
- 2) Job placement as per competency and job requirement.
- 3) Carefully designed performance appraisal system for advancement, rewards and incentives.
- 4) Timely identification of training needs and imparting requisite training.
- 5) Dependent family members covered under health insurance scheme.
- 6) Strict prohibition of employment of child labour.
- 7) Documented policy on Prevention/Prohibition & Redressal of Sexual Harassment of Women at the Workplace.
- 8) Periodic health check-up of employees.
- 9) Emergency Medical assistance at plant site.
- 10) Financial assistance by way of loans for medical/housing/children's education/marriage.

The Company had total 361 permanent employees as on 31-03-2021 including 23 women staff. The Company also hired contractual work-force for various ancillary and other activities whenever required and about 204 persons including about 12 women were engaged in such services.

The Company has a recognized trade union at its manufacturing locations in Maharashtra and most of the eligible employees are members of the recognized employee union.

The Company policy prohibits engaging of any child or involuntary labour. Therefore no complaints relating to child labour were received during the year. No complaints relating to sexual harassment at workplace were received during the year.

Safety and skill upgrading training to permanent and contractual employees are provided at regular intervals.

Principle 4

Businesses should respect the interests of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised.

The Company has mapped its internal and external stakeholders and continues its engagement with them through various mechanisms.

The Company identifies the disadvantaged, vulnerable and marginalised stakeholders on continuous basis. Local work force is engaged to the extent feasible at the Company's plant locations.

The Company extends its social responsibility by provision of educational and sanitation facilities including e-learnings and provision of clean drinking water, lavatory blocks, water conservation etc. in the villages surrounding the Company's plant locations.

The details of initiatives taken by the Company are provided in the Corporate Social Responsibility section of the Annual Report. Safeguarding the interests of the contractual work force is of importance to the Company. Suitable control mechanisms are in place at plant locations. Compliance of statutory obligations are verified on a regular basis.

Principle 5

Businesses should respect and promote human rights

The Company respects and promotes human rights for all individuals. Human rights include hiring practices, prohibition of gender based discrimination and violence etc. The Company encourages its business partners and third parties with whom it conducts business to abide by the policy on human rights. The Company promotes awareness and realization of human rights across the value chain.

Complaints from various stakeholders are addressed satisfactorily. There were no complaints of a substantial nature received during the year.

Principle 6

Business should respect, protect and make efforts to restore the environment

All operations of the Company are guided by a documented "Policy on Integrated Management System" which addresses our concern for Environment Protection and Restoration. The Integrated Management System of the Company has been certified by M/s. Bureau Veritas Certification for compliance with ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018 standards.

Under the guiding principles of the Policy on Integrated Management System, Company focuses on reduction of use of natural resources through various in-process improvements and reduction of energy consumption by adopting best practices and implementation of various environment management plans.

As per the guiding principles of the Policy on Integrated Management System, Company is committed to compliance of all Statutory, Occupational Health and Safety and Environment Legislations and Regulations. With compliance of all legislations and regulations there are no pending show cause or legal notices from any of the statutory authorities with respect to HSE or environment protection at the end of the Financial Year.

In recognition of the excellence in the field of Health, Safety and Environment, the Company has received "Sarvashreshtha Suraksha Puruskar (Golden Trophy) - 2020" in manufacturing sector Group-B from National Safety Council (NSC), Greentech Environment Award 2020 (winner) for outstanding environment management, Greentech Safety Award 2020 (winner) for outstanding safety management, National Safety Council (NSC) Maharashtra Chapter- Safety Award. The Chennai Plant of the Company has received "Certificate of Appreciation" at national level.

Principle 7

Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner

The Company believes that a lot can be achieved when the Company works together with the Government, Legislators, Trade Bodies and Regulators to create positive social and environmental outcomes. The Company engages with industry bodies and associations to influence public and regulatory policy in a responsible manner.

The Company works with industry organizations that are engaged in policy advocacy in a responsible manner and ensures that policy advocacy is conducted ethically.

The Company articulates the larger interests of industry and the community at industrial forums. As on March 31, 2021 the Company was the member of following trade associations:-

- 1) Confederation of Indian Industry.

The Company focuses on various areas of engagement like Sanitation, Rural Development, Education, Drinking Water, Health & Hygiene, Cultural & Sports activities and conservation of Natural Resources etc.

The Company fulfills its social responsibility through in-house efforts/external sources, as the case may be. The CSR approach focuses on development of the communities in the vicinity of the Company's plant.

An amount of ₹ 351.82 Lakhs was spent on various CSR projects during the financial year 2020-21 primarily benefitting the people in the villages surrounding the Company's plant as well as some other deserving sections of the society.

The details of CSR activity undertaken by the Company are set out in the CSR Statement annexed to the Board's Report vide **Annexure-4**

Principle 9

Businesses should engage with and provide value to their customers and consumers in a responsible manner

The Company is a consumer centric Company focused on providing customer delight. The foundation of the Company is based on the trust, satisfaction and loyalty of our consumers across the world. The Company is dedicated to delivering products that excite customers and meet their need gaps.

There are no consumer related legal cases pending at the end of the financial year.

The Company displays product information on the product label mandated by law. Product information is also available in product information sheet/brochures available and also displayed on the Company's website.

The Company is considered a dependable and valuable supplier as evidenced by various awards and recognitions from its customers for supporting timely delivery, quality and product development. The employees are constantly trained to focus on customer satisfaction.

There are no cases filed by any stakeholder against the Company regarding unfair trade practices, irresponsible advertisement and/or anti-competitive behavior during the last five years.

Feedback from customers to ensure utmost focus on customer satisfaction is a continuous process in the Company. Such feedback is used for continual improvement in product and service quality. Every complaint, if any received, is attended to immediately and brought to the final point of closure with a defined level of service.

INDEPENDENT AUDITOR’S REPORT

**To the Members of Supreme Petrochem Limited
Report on the Standalone Financial Statements**

Opinion

We have audited the standalone financial statements of **Supreme Petrochem Limited** (“the Company”), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the standalone financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards specified under section 133 of the Act (“Ind AS”), of the state of affairs of the Company as at March 31, 2021 and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be key audit matters to be communicated in our report.

Key Audit Matter description	How the scope of our audit responded the key audit matter
Valuation of inventory:	
Inventory forms a significant part i.e. 18% of the Company’s total assets.	We have reviewed the stock records and held discussion with the management. We verified arithmetical accuracy of valuation records / reports.
Inventory comprises of Raw Materials, Finished Goods, Stock in process and Stores and Spares.	Almost entire inventory, except inventory at third party locations were physically verified by the management during the lockdown period pursuant to Covid 19 pandemic. A very small non material portion of inventory couldn’t be verified by the management. We have carried out alternate audit procedures to satisfy ourselves with respect to existence and condition of the inventory at the year-end. This verification was in addition to actual verification of inventory test checked by us during the course of our audit in pre-lockdown period.
Inventories are valued at lower of cost and net realisable value.	
Styrene Monomer is the main raw material for the Company. Styrene Monomer, which is imported, is subject to high price fluctuation risk as well as foreign currency risk.	
The volatility in the prices of Styrene Monomer may significantly impact the valuation of not only Raw material but also other items of inventory.	
In determining the net realisable value, the management uses data of sales of finished good available which is a management estimate.	For a sample of inventory items, we have verified that the weighted average cost calculation by the system and satisfied ourselves.
We have considered this as a key audit matter due to the significance in the amount of inventory and volatility in the prices of Styrene Monomer.	We have reviewed the price movement of Styrene Monomer prices with respect to cost to the Company. Compared such prices with the recent selling prices.
	Compared the value of Finished Goods with the last selling prices of the respective product to determine the basis of valuation adopted.

Information Other than the Standalone Financial Statements and Our Report thereon

The Company’s Board of Directors is responsible for the other information. The Other Information comprises of the Directors’ Report and Management Discussion & Analysis (but does not include the standalone financial statements and our report thereon), which we obtained prior to the date of this report. Our opinion on the standalone financial statements does not cover the Other Information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the Other Information identified above and, in doing so, consider whether the Other Information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the Other Information that we obtained prior to the date of this auditor's report, we conclude that if there is a material misstatement of this Other Information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity, cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic

decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatement in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in; (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effects of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and

timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order'), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the 'Annexure A', a statement on the matters specified in the paragraph 3 and 4 of the Order.

ANNEXURE B

Annexure B - referred to in paragraph 3(g) under "Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls over Financial Reporting under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of **Supreme Petrochem Limited** ("the Company") as of March 31, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2021, based on the internal control over financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan

and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls With reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls With reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2021****NOTE : 1****Corporate Information**

Supreme Petrochem Ltd (“the Company”) a Public Limited Company incorporated under the Companies Act, 1956, is listed on the Bombay Stock Exchange and National Stock Exchange. The Company is mainly engaged in the business of Styrenics and manufactures Polystyrene (PS), Expandable Polystyrene (EPS), Masterbatches and Compounds of Styrenics and other Polymers, Extruded Polystyrene Insulation Board (XPS) Styrene Methyl Methacrylate (SMMA) with manufacturing facilities at Amdoshi Dist Raigad, Maharashtra and Manali New Town, Chennai, Tamil Nadu.

Authorisation of financial statements

The standalone financial statements were authorized for issue in accordance with a resolution of the Board of Directors passed on April 30, 2021.

1. SIGNIFICANT ACCOUNTING POLICIES**1.1. Statement of Compliance**

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as “Ind AS”) notified under the Companies (Indian Accounting Standards) Rules 2015 with effect from April 01, 2016.

1.2. Basis of Preparation

The financial statements of the Company are consistently prepared and presented under historical cost convention on an accrual basis in accordance with Ind AS except for certain financial assets and liabilities that are measured at fair values. Refer accounting policy No. 1.10 on Financial Instruments.

The Company’s functional currency and presentation currency is Indian Rupees (INR). All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs (₹ Lakhs), except otherwise indicated.

Classification of Assets and Liabilities into current and Non-Current

The Company presents its assets and liabilities in the Balance Sheet based on current/non-current classification.

An asset is treated as current when it is:

- a) expected to be realised or intended to be sold or consumed in normal operating cycle;
- b) held primarily for the purpose of trading;
- c) expected to be realised within twelve months after the reporting period; or
- d) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when :

- a) it is expected to be settled in normal operating cycle;
- b) it is held primarily for the purpose of trading;
- c) it is due to be settled within twelve months after the reporting period; or
- d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle being a period within twelve months for the purpose of current and non-current classification of assets and liabilities.

1.3. Use of judgements, estimates and assumptions

The preparation of the Company’s financial statements required management to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosures of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment in the future periods in the carrying amount of assets or liabilities affected.

The Company's accounting policies, management has made judgements in respect of evaluation of recoverability of deferred tax assets, which has the most significant effect on the amounts recognized in the financial statements:

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within;

- a) Useful life of property, plant and equipment and intangible assets: The Company has estimated useful life of the Property Plant and Equipment as specified in Schedule II to the Companies Act, 2013. However the actual useful life for individual equipments could turn out to be different, there could be technology changes, breakdown, unexpected failure leading to impairment or complete discard. Alternately the equipment may continue to provide useful service well beyond the useful life assumed.
- b) Fair value measurement of financial instruments : When the fair values of financial assets and financial liabilities cannot be measured based on quoted process in active market, the fair value is measured using valuation techniques including the discounted cash flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not possible, a degree of judgement is required in establishing fair values.
- c) Impairment of financial and non-financial assets: The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the input for the impairment calculations, based on Company's past history, existing market conditions, technology, economic developments as well as forward looking estimates at the end of each reporting period.
- d) Taxes: Taxes have been paid / provided, exemptions availed, allowances considered etc. are based on the extant laws and the Company's interpretation of the same based on the legal advice received wherever required. These could differ in the view taken by the authorities, clarifications issued subsequently by the government and courts, amendments to statutes by the government etc.
- e) Defined benefit plans: The cost of defined benefit plans and other post – employment benefits plans and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future.
- f) Provisions: A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligations at the end of the reporting period. However the actual liability could be considerably different.

Provisions for leave encashment and gratuity, are made based on report received from the independent actuary. These valuation reports use complex valuation models using not only the inputs provided by the Company but also various other economic variables. Considerable judgement is involved in the process.

- g) Contingencies: A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Potential liabilities that are possible but not probable of crystallizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

1.4. Property, Plant and Equipment

Freehold land is carried at historical cost. All other Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment loss, if any. The cost of tangible assets comprises its purchase price, borrowing cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, initial estimation of any decommissioning obligations and finance cost.

When significant parts of the Property, Plant and Equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and depreciated accordingly. Likewise when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the Statement of Profit and Loss as incurred.

Cost of Software directly identified with hardware is recognized along with the cost of hardware.

Stores and spares which meet the definition of Property Plant and Equipment and satisfy recognition criteria of Ind AS 16 are capitalized as Property Plant and Equipment.

An item of Property Plant and Equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use. Any gain or loss arising on derecognition of the asset is included in the Statement of Profit and Loss when the asset is derecognized. Capital work-in-progress includes cost of Property, Plant and Equipment which are not ready for their intended use.

The residual values and useful lives of Property, Plant and Equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.

Depreciation on the Property Plant and Equipment is provided over the useful life of assets as specified in Schedule II to the Companies Act, 2013 using straight line method. Property, Plant and Equipment which are added/discharged off during the year, depreciation is provided on pro rata basis with reference to the month of addition/deletion.

In line with the provisions of Schedule II of the Companies Act 2013, the Company depreciates significant components of the main asset (which have different useful lives as compared to the main asset) based on the individual useful life of those components. Useful life for such components has been assessed based on the historical experience and internal technical inputs.

1.5. Intangible Assets

Intangible Assets are recognized only if they are separately identifiable and the Company expects to receive future economic benefits arising out of them. Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization/depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use.

Computer Software is amortised over a period of six years.

Intangible assets with finite lives are amortised on straight line basis over their useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at each year end. The amortised expense on intangible assets with finite lives and impairment loss is recognized in the Statement of Profit and Loss.

The useful lives of intangible assets are assessed as either finite or indefinite.

Gains or losses arising from derecognition of an intangible asset are recognized in the Statement of Profit and Loss when the asset is derecognized.

Intangible assets with indefinite useful lives, are not amortised, but are tested for impairment annually. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis. The impairment loss on intangible assets with indefinite life is recognised in the Statement of Profit and Loss.

1.6. Impairment of non-financial assets

At each Balance Sheet date, the Company assesses whether there is an indication that an asset may be impaired and also whether there is an indication of reversal of impairment loss recognized in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for the Company's CGUs in the state of Tamilnadu and Maharashtra to which the individual assets are allocated.

1.7. Inventories

Inventories are valued as under

Raw materials, packing material, stores and spares are valued at lower of cost (on a weighted average basis) and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above manufacturing cost.

Stock in process is valued at lower of cost (on a weighted average basis) and net realizable value.

Finished goods (including in transit) are valued at cost (on a weighted average basis) or net realizable value whichever is lower. Cost for this purpose includes direct materials, direct labour utilities, other variable direct costs and manufacturing overheads, based on the normal operating capacity and depreciation.

1.8. Cash and cash equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value. For the purpose of statement of cashflows, cash and cash equivalents consist of cash, short-term deposits as defined above, net of outstanding bank overdrafts (if any) and short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value as they are considered as an integral part of the Company's cash management.

Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows . The cash flows from operating, investing and financing activities of the Company are segregated.

Bank Balances other than above

Dividend escrow account balances, deposits with banks as margin money for guarantees issued by the banks, deposits kept as security deposits for statutory authorities are accounted as bank balances other than Cash and Cash equivalents.

1.9. Non-current assets Held for Sale

Non-current assets classified as held for sale are measured at the lower of carrying amount and fair value less costs to sell.

Non-current assets are classified as held for sale if their carrying amounts will be recovered through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such assets.

Property, Plant and Equipment and Intangible Assets are not depreciated or amortized once classified as held for sale.

1.10. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets:

(i) Classification:

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income, or fair value through profit and loss on the basis of its business model for managing the financial asset and the contractual cash flow characteristics of the financial asset.

(ii) Initial recognition and measurement.

All financial assets are recognized initially at fair value plus, in the case of financial assets not recognized at fair value through profit and loss, transaction costs that are attributable to the acquisition of the financial asset.

(iii) Financial assets measured at amortised cost:

Financial assets are subsequently measured at amortised cost using effective interest rate method (EIR), if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. The losses arising from the impairment are recognized in the Statement of Profit and Loss.

(iv) Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms give rise to cash flows that are solely payments of principal and interest on the principal outstanding.

(v) Financial Assets measured at fair value through profit and loss

Financial assets under this category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in profit and loss.

(vi) Derecognition of financial assets

A financial asset is primarily derecognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

AA. Impairment of Financial Assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

B. Financial Liabilities

(i) Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit and loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

(ii) Initial recognition and measurement.

All financial liabilities are recognized initially at fair value, in the case of loans, borrowings and payables, net of directly attributable transaction costs. Financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

(iii) Subsequent measurement:

All financial liabilities are re-measured at fair value through statement of profit and loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through statement of profit and loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

(iv) Loans and borrowings

Interest bearing loans and borrowings are subsequently measured at amortised cost using effective interest rate (EIR) method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through EIR amortization process. The EIR amortization is included as finance cost in the Statement of Profit and Loss.

(v) Derecognition of financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

(vi) Derivative Financial Instruments

The Company uses derivative financial instruments such as forward currency contracts and options to hedge its foreign currency risks. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. The gain or loss in the fair values is taken to Statement of Profit and Loss at the end of every period. Profit or loss on cancellations / renewals of forward contracts and options are recognized as income or expense during the period.

C. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

1.11. Fair Value Measurement

The Company measures certain financial assets and financial liabilities including derivatives and defined benefit plans at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

1.12. Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

1.13. Provisions, Contingent Liabilities, Contingent Assets

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligations at the end of the reporting period. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the changes in the provision due to the passage of time are recognized as a finance cost.

Contingent liabilities are disclosed in the case of :

- a present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- a present obligation arising from the past events, when no reliable estimate is possible;
- a possible obligation arising from past events, unless the probability of outflow of resources is remote.

Contingent assets are not recognized but disclosed in the financial statements when an inflow of economic benefit is probable.

1.14. Employee Benefits

A. Short Term Benefits

Short Term Benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the period in which the related service is rendered.

Payment to defined contribution retirement benefit plans are recognized as an expense when employees have rendered the services entitling them to the contribution.

B. Post Employment benefits - Defined Benefit Plans: Provident fund and Gratuity

The eligible employees of the Company are entitled to receive post employment benefits in respect of provident fund in which both the employees and the Company make monthly contributions at a specified percentage of the employees' eligible salary. The contributions are made to the provident fund managed by the trust set up by the Company which is charged to the Statement of Profit and Loss as incurred. Since the Company is obligated to meet interest shortfall, if any, with respect to covered employees, such employee benefit plan is classified as defined benefit plan.

The Company has an obligation towards gratuity - a defined benefit retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service and is payable thereafter on occurrence of any of above events. The Company has obtained an insurance policy with the Life Insurance Corporation of India (LIC) and makes an annual contribution to LIC for amounts notified by LIC.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each Balance Sheet date, which is recognized in each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in the net interest on the net defined liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through Other Comprehensive Income in the period in which they occur. Re-measurements are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognized in the Statement of Profit and Loss in the period of plan amendment.

Net interest is calculated by applying the discount rate to the net defined benefit plan liability or asset.

The Company recognizes the following changes in the net defined benefit obligations under employee benefit expenses in the Statement of Profit and Loss:

- Service costs comprising of current service costs, past-service costs, gains and losses on curtailments and non-routine settlements
- Net current expenses or income

C. Defined Contribution Plans - Superannuation

The eligible employees of the Company are entitled to receive post employment benefits of superannuation under Company's Senior Officers Superannuation Scheme to which the Company makes annual contribution at a specified percentage of the employees' salary subject to the contribution not exceeding ₹ 1,00,000/- p.a. The contribution is made to the LIC. Superannuation is classified as defined contribution plan as the Company has no further obligations beyond making the contribution. The Company's contribution is charged to the Statement of Profit and Loss as incurred.

D. Other Long-Term Employee Benefits – Compensated Absences

The Company provided for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The Company makes provisions for compensated absences based on an independent actuarial valuation carried out at each reporting date, using Projected Unit Cost Method. Actuarial gains and losses are recognized in the Statement of Profit and Loss.

1.15.Revenue Recognition

Revenue is recognized upon transfer of control of promised goods to Customers (i.e. when performance obligation is satisfied) for an amount that reflects the consideration which the Company expects to receive in exchange for those products. Revenue is measured based on the transaction price, which is the consideration, adjusted for trade discounts such as price concessions, volume discounts, or any other price concessions as may be agreed with the customers at the time of sale. Revenues also excludes Goods and Services Tax (GST) or any other taxes collected from the Customers and net of returns and discounts.

Dividend Income

Dividend income is recognized when the right to receive is established and there is a reasonable certainty of its collection.

Export benefit

Benefits on account of entitlement to import duty-free raw materials under the Advance Authorization Scheme is measured at fair value and accounted for in the year of export and included under the head "Other Operating Income."

Interest Income

Interest income is recognized using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instruments (for example, prepayment, extension, call and similar options) but does not consider the expected credit loss.

Insurance Income

Income in respect of insurance claims recognized on acceptance basis or when there is reasonable certainty that the ultimate collection will be made.

Others

Income in respect of other claims and commissions are measured at fair value and recognised when there is reasonable certainty that the ultimate collection will be made.

1.16. Taxes on income

Income Tax expenses comprise current tax expenses and the net change in the deferred tax asset or liabilities during the year. Current and Deferred tax are recognized in Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognized in Other Comprehensive Income or directly in equity respectively.

Current Tax

The Company provides current tax based on the provisions of the Income Tax Act, 1961 applicable to the Company.

Deferred Tax

Deferred tax is recognised using the Balance Sheet approach. Deferred tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax liabilities are recognized for all taxable temporary differences.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax assets to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled, based on tax rates (and tax laws) that have been enacted or substantially enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

1.17. Earnings per share

Basic earnings per share are calculated by dividing the profit after tax or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. In case there are any dilutive securities during the period presented, the impact of the same is given to arrive at diluted earnings per share.

1.18. Segment Reporting

The operating segments have been identified on the basis of nature of products and same are accordingly evaluated by the Manager and Board of Directors. Company's primary operating segment is Styrenics business which accounts for over 96%

of total business. Company also operates in masterbatches and compounds of other Polymers, and miscellaneous others. This activity shares manufacturing assets and facilities with compounds/masterbatches/coloured products of Styrenics, have similar pattern, customer profile and distribution channels as of compounds/masterbatches/coloured products of Syrenics and does not have separately identifiable discreet financial information. Masterbatches and Compounds of other Polymers have therefore been aggregated with Styrenics business. Masterbatches and Compounds of other Polymers and miscellaneous others account for less than 4% of total business and are individually below threshold of total sale revenue specified in Ind AS 108, Para 13. Company accordingly reports its financials under one segment 'Styrenics and allied products'.

1.19. Leases

Determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date, whether fulfilment of the arrangement is dependent on the use of a specific asset(s) or the arrangement conveys right to use the asset, even if that right is not explicitly specified in an arrangement.

Leases where the lessor effectively retains substantially all the rights and benefits of ownership of the leased assets are classified as operating leases. At the date of commencement of lease the Company recognizes a right-of-use asset (ROU) and a corresponding lease liability for all lease arrangements in which it is a lease except for leases with a term of twelve months or less and low value leases. For these short term and low value leases the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The right to use assets are initially recognized at cost which comprises initial amount of the lease liability adjusted for any lease payment made at or prior to the date of the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-to- use assets are depreciated from the commencement date on straight line basis over lesser of the lease period or the useful life of the asset.

Lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable using the incremental borrowing rate for the Company.

The right-to-use assets and the lease liabilities are tested for impairment and re-measured annually to arrive at the current carrying value and if found required, adjustments are made to the right-to-use assets and/or lease liability.

1.20. Foreign exchange transactions

Foreign currency transactions are accounted for at the exchange rate prevailing on the date of the transaction. All monetary foreign currency assets and liabilities are converted at the exchange rates prevailing at the reporting date. All exchange differences arising on translation of monetary items are dealt with in the Statement of Profit and Loss.

Non-monetary items are measured in terms of historical cost in foreign currency and translated using the exchange rate at the end of the dates of initial transaction.

1.21. Deemed cost for Property, Plant and Equipment, Investment Property and Intangible Assets

The Company has elected to continue with the carrying value of all of its plant and equipment, investment property, and intangible assets recognised as of 1st July, 2015 measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Sensitivity Analysis

1. Change in Foreign Exchange

(₹ in Lakhs)

Effect in INR	Impact on profit or (loss) due to % increase / Decrease in currency			
	Increase	Decrease	Increase	Decrease
	31 March 2021		31 March 2020	
1% Increase/decrease in USD	(327.97)	327.97	(108.72)	108.72

1% Increase/decrease in CHF	0.17	(0.17)	–	–
1% Increase/decrease in SGD	8.44	(8.44)	–	–

The above table show sensitivity of open forex exposure to USD/INR movement. We have considered 1% (+/-) change in the currency movement, increase indicates appreciation whereas decrease indicates depreciation in the currency rates. The movement does not reflect management forecast on currency movement.

2. Change in Interest rate

The Company being a debt free Company is not exposed to Interest rate risks.

**NOTE : 38****Financial Risk Management**

The Company's activities expose it to variety of financial risks viz. commodity price risk, credit risk, liquidity risk, capital risk and foreign currency risk. These risks are managed by the senior management of the Company supervised by the Board of Directors to minimise potential adverse effects on the financial performance of the Company.

Commodity Risk:

International pricing and demand / supply risk are inherent in the import of styrene monomer, the main raw material. The Company enters into procurement contracts for import of styrene monomer on annual basis. The contracts specify the quantity and attributes for arriving at monthly pricing. However, a part of the requirement is sourced on spot basis so as to float with fluctuations in the market and to guard against price volatility. The Company has also linked part of its sales to raw material prices so that the Company has adequate cushion to protect its margin in the event of any increase/decrease in raw material costs.

Credit Risk:

Credit risk from cash and cash equivalents, derivative financial instruments and bank deposits is considered immaterial in view of the creditworthiness of the banks the Company works with. The Company has specific policies for managing customer credit risk on an ongoing basis; these policies factor in the customer's financial position, past experience and other customer specific factors.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the company. The Company makes provision for doubtful debt or write off when a debtor fails to make contractual payments greater than two years past due. When loans or receivables have either been provided for or written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. When recoveries are made, these are recognised in Statement of Profit and Loss.

Liquidity Risk:

The Company needs to ensure that at all times, it meets its payment obligations on time. The table below summarises the Company's liquidity position and its preparedness for likely variations in the liquidity:

(₹ in Lakhs)

Particulars	March 31, 2021	March 31, 2020
Cash, Cash equivalents & bank balances (note 11)	6,607.71	17,090.44
Investments in mutual funds and bond (note 9)	47,028.31	13,481.26
Fixed deposits with Banks (note 6,12,14)	3,605.22	—
Fixed deposits with Corporate (note 14)	5,500.00	—
Undrawn fund based credit facilities from banks	12,700.00	14,600.00
Liquidity buffer	75,441.24	45,171.70
Borrowings from Banks and Financial Institutions	—	—

The Company is debt free and has, adequate liquidity as detailed above, to meet any exigencies. In addition to the undrawn fund based credit limits, the Company also has recourse to discount trade receivables backed by letters of credit. These measures are considered by the management adequate to ensure that the Company is not exposed to any liquidity risk.

Capital Risk Management:

The Company's Capital Risk management policy objective is to ensure that at all times, it remains a going concern and safeguard interests of its shareholders and other stakeholders.

Total Equity	1,06,484.48	67,327.71
Total Capital Employed	1,10,053.63	71,070.35
Gearing Ratio	—	—

The Company's total owned funds of ₹ 1,10,053.63 lakhs with zero debt is considered adequate by the management to meet its business interest and any capital risk it may face in future.

Foreign Currency Risk:

The Company is debt free and hence faces no foreign currency risk on account of debt outstanding.

However the Company depends entirely on imports for its requirement of styrene monomer and other raw materials. It also exports its products in significant quantities. All the transactions are exposed to fluctuation in the external value of rupee largely against US dollar. Exposure to other currencies is minimal.

To overcome these risks of cost and pricing due to foreign exchange volatility, the Company hedges part of open foreign exchange exposure relating to imports so as to lessen the impact of foreign exchange rate fluctuations if any in respect of import of raw materials. The Company also has a natural hedge to the extent of its exports and pricing its products locally on import parity basis. These measures are considered adequate by the management of the Company to safeguard from foreign exchange fluctuation risk. However foreign currency exchange rate being dynamic are monitored constantly to decide on proper response measure.

**NOTE : 40 COVID-19 PANDEMIC**

During the year the Company's business was impacted due to COVID-19 pandemic in the first quarter and the Company had to shut down its manufacturing lines at both Nagothane plant and at Manali Newtown, Chennai except for one line of polystyrene at Nagothane. Company's operations in the remaining quarters of the year remained normal.

However, the impact of covid-19 Pandemic still persists in the country and impact of the same is unknown. The impact assessment of the covid-19 pandemic is a continuous process given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.

Due to the nature of assets and the care taken by the Company all its assets including plant, machinery remain in prime condition and do not call for any alteration in the useful life or the carrying value. The Company has also evaluated the recoverability of receivables and realisability of inventory on hand based on subsequent realisations and customer orders respectively.
