Supreme Petrochem Ltd
GLOBAL SUPPLIER OF STYRENICS

JOB DESCRIPTION

Accounting & Finance
(Manager/ Deputy Manager)

Job Summary
The selected candidate will be responsible for carrying out costing and accounting functions, ensuring accurate cost management, inventory valuation, financial accounting, and reporting within an SAP S/4HANA environment to support business and management decision-making.

Key Responsibilities:

Costing & Cost Control-
- Prepare and maintain product cost sheets, standard costs, and cost estimates.
- Analyze raw material, utility, labor, and overhead costs to determine product profitability.
- Monitor cost variances and provide detailed variance analysis for management review.
- Support budgeting, forecasting, and cost optimization initiatives.
- Conduct inventory valuation and reconciliation activities.
- Assist in monthly cost closing and MIS reporting.

Accounting & Financial Compliance-
- Handle routine accounting activities, including journal entries, reconciliations, and financial reporting.
- Ensure accuracy of inventory accounting and manufacturing accounting transactions.
- Assist in statutory audits, internal audits, and compliance requirements.
- Support month-end and year-end financial closing activities.
- Coordinate with cross-functional teams for accurate accounting and costing data.

SAP S/4HANA Responsibilities-
- Execute and monitor costing and accounting transactions in SAP S/4HANA.
- Ensure data integrity and process compliance within SAP.
- Support implementation and enhancement of costing and accounting processes in SAP.
- Generate reports and analytics required for management decision-making.

Qualification:
- **Qualified Cost Accountant (ICMAI)** preferred, OR
- **Intermediate Cost Accountant (ICMAI Inter) cleared**.

Experience:
- **6 to 10 years** of relevant experience in Costing and Accounting.
- Experience in **Process Industry, Chemical Industry, Petrochemical Industry, Manufacturing Industry**, or similar sectors.

Age: 26 to 34 years

Technical Skills:
- Strong knowledge of Cost Accounting and Financial Accounting.
- Hands-on experience in **SAP S/4HANA**.
- Good understanding of inventory valuation, variance analysis, budgeting, and costing methodologies.
- Proficiency in Microsoft Excel and financial reporting tools.
- Knowledge of statutory compliance and audit processes.

Behavioral Competencies:
- Strong analytical and problem-solving skills.
- Attention to detail and accuracy.
- Effective communication and stakeholder management skills.
- Ability to work independently and manage deadlines.
